washed clean and placed in the sun

One farmer who has been raising crops in this county for the past 15 years, states that alfalfa is certainly the crop for this section. He has watched the growth and experimented with this valuable fodder and has made a success of it. His experience has led him to believe the best way to insure a stand is to get the ground in proper shape. It should be plowed in the fall and made absolutely level, with the soil well pulverized. This court and water streets. Phone, black to settle and bestould be allowed to settle and bestould be allowed to settle and bestould. Nervous diseases a specialty. involving the validity of He finds that new loose ground will barber law, Judge Snell not retain the moisture or give the saday harber may opinion that roots the proper nourishment. It was valid, and, even though the seems the roots will not go down on he is valid, and even the Day Adventose ground, and as a consequence and abserved Saturday as a day much of the crop dies.—Times-Her-

New 'Phone System for Lewiston Manager McGillivray has received by of a violation of the law notice from the head office of the Pacific States Telephone and Telegraph for Bergfeldt says he will car- company that the matter of improving the Lewiston system had approved and that it would be taken up at once. Yesterday the inspection engineer arrived in the city and will n graps root will yield a fair-return to persons that will plans for the new system. The coma and prepare it for shipment pany will install the battery system in May last, a San Francisco which is the latest equipment for in May man, a San Francisco.

In May man, a San Francisco.

The mode of curing is very the larger cities. It is expected that and is explained as follows: the new system will be installed by the roots are gathered they are early spring.-Lewiston Tribune.
